NATIONAL WILDLIFE WEEK MARCH 18-24

What Difference Does It Make?

If Appomattox had no Girl Scouts, we would see! If we stopped providing our girls guidance in helping others, responsibilities of good citizenship; stopped offering them knowledge of the world and its people, a chance to make cooperative efforts; if we stopped offering them high standards of personal conduct mixed with fun and adventure, we'll see the difference it makes.

The Virginia Skyline Council of Girl Scouts wants to continue to provide Appomattox Girl Scouts with service and program materials they need, but are faced with rising costs in every direction and more funds are needed. In order to carry its own weight in Appomattox, Girl Scouting must receive a minimum of $2,266 in contributions to serve its more than 100 girls.

In the past, Girl Scout Fund Drives in Appomattox have failed to produce more than $400 a year. Obviously, if Scouting is to continue for the girls, it will need some additional source of funds to supplement its Annual Fund Drive. For this reason, parents and friends of Scouting will be asked this year to become Sustaining Members to help support Girl Scouting.

At the present time, it costs in excess of $22 per girl each year to provide quality programs to troops. This figure does not attempt to measure the value of the thousands of man hours given by our leaders and other dedicated volunteers.

A full Sustaining Membership is $15 or more. Many cannot contribute this amount, but any contribution, no matter how small, is welcome and appreciated. Won't you do all you can to keep Girl Scouting growing? If you would like to help by giving of your time or by making a contribution, contact any troop leader or Floyd Flint at 352-7250.

Donate To Gladstone Fire Dept.

Henry Higginbotham, on the left, President of the Gladstone Volunteer Fire Department, accepts a check in the amount of $50.00 from Ronnie Spiggle, on the right, member of the Appomattox Jaycees.

The donation from the local Jaycees will be used to purchase a new dome-light and a tire for the fire truck. Another way the local Jaycees help volunteer organizations in our county.
